

Have you had a series of unsuccessful relationships?

Are you dateless?

Have you had trouble meeting someone interesting?

If you answered yes to these questions, this workshop will teach you how to attract the mate you've always desired.

You will learn how to shift your feelings and beliefs so that you attract a partner through the joy of living.

With like-minded seekers, come and share in this exciting, enjoyable experiential workshop so that you can finally have the relationship you desire.

You will discover:

- * *How to use your sacred gifts to attract the partner of your dreams*
- * *How to avoid self-sabotage*
- * *How to enjoy the process of attracting "The One"*
- * *How to practice with your "Seaweed"*

Presenters

Nancy Davis is a relationship expert who has helped countless people attract a partner. She is also an interfaith minister and spiritual coach who can help you achieve your lifetime goals.

Kim Morris is a spiritual and life coach with many years of experience helping people learn how to attract the life they desire.

The workshop will be followed in approximately four weeks by a singles party (at additional cost.)
